A green 'Selected' button with a checkmark is in the top right. Below this, a section titled 'Add extras and services as well as a SunFare upgrade' is shown. Under 'Add Extras and Services', there are five options: 'Add Seat reservation', 'Add Extra Luggage', 'Add Meals', 'Add Special Services', and 'Add Golf-Package\*'. Each of the first three options has a yellow square with a white checkmark icon. To the right, the 'Upgrade your SunFare' section features three fare options: SunEco (orange), SunClassic (dark orange), and SunPremium (blue). Each fare option lists its benefits, such as baggage allowance and check-in options. A note at the bottom states: '\*Golf package cannot be booked in combination with the fares SunClassic/SunPremium.'

# At tænke på :

---

- Hos SunExpress betragtes børn, der er fyldt 12 år (eller fylder 12 år inden hjemrejsen), som voksne, og skal indtastes som voksen ved login. Dette skyldes IATAs regler ved køb af flysæde og gælder også, når du har bestilt via Nazar, hvor børn over 12 år betragtes som børn.
- SunExpress kan desværre ikke reservere eller blokere flysæder for nogen. Ønsker I en bestemt plads eller at I alle sidder ved siden af hinanden, skal I logge ind og bestille og betale for disse.
- Har du købt bagage via Nazar, gælder Nazars billet. Har du købt ekstra bagage eller måltider på flyet, er kvitteringen fra SunExpress gyldig.
